# Master of Ceremonies

## for your dream day

Having a professional MC for your wedding reception is key to ensuring the event flows seamlessly and on time. We know what you're thinking: *"But Uncle John really wants to do it!"*

We've been MCs for our friends and family, and let us tell you, it's a huge task! We LOVE it, but we never truly enjoyed ourselves, or got to drink as much as we liked, because we were watching our clocks and running around all night. Don't do that to Uncle John, ok?

# Kerstyn Walsh

Practically born on a stage, Kerstyn has been holding crowds captivated since birth (almost).

Director and Professional Bestie here at Hire a Bridesmaid, Kerstyn is the soul and flavour of our company.

Being a Master of Ceremonies is where it all began, and our other services grew from her passion of ensuring your special day is 100% stress-free.

As your MC, she will expertly coordinate a timely run sheet and notes with you, greet your guests as they arrive at your reception, help them to their seats, and have them all laughing and enjoying themselves before you arrive back.

She will check in with you, high-five your Dad and give you warning time for your first dance. If your Mum is in the loo when it's time for your speech, she will wait until she's back and comfy.

*(Includes 1 hour pre-planning meeting and 5 hours on the day)*

## A Male MC

We're not sexist, but we understand that some couples make their MC decisions based on whether or not the person looks good in a suit.

We can 100% guarantee that our male MCs (Kyle, Erick, et al.) look great in a tux! We also guarantee that they are Hire-a-Bridesmaids to the core and believe in our philosophy as much as the girls do.

As your professional Groomsmen on the night, they will ensure a smooth-flowing reception and have your guests laughing, crying and LOVING their dad jokes.

NB: Don't leave Nanna alone with them, they are some smooth-talkin' criminals

*(Includes 1 hour pre-planning meeting and 5 hours on the day)*

# Engagement | Hens Party | Bridal Shower

before your dream day

From Engagement right through to the Big Day, Hire a Bridesmaid is your event genie in a bottle (*of red wine*).

We're not here to replace your Bridesmaids, heck no! Their shoes are too big to fill! We're here to give them a helping hand and do all the running around to make them look good.

Have you ever followed up 30 girls for payments that are late? We haven't, because they always pay on time with us around.

Basically, we do the leg work and your girls look amazing in their dresses- that's the deal.

# Engagement Party

Sounds simple, right?

Step one: Get engaged, Step two: plan a party, Step three:...  
A study conducted in 2017 by easyweddings found that 76% of couples who planned and "did" their own engagement parties "did not enjoy themselves to the fullest" because they were worried about hosting, setting up, packing up etc. As your first step to married bliss, shouldn't this be awesome?!

We plan everything for you from venue, catering, beverages, decor and styling, invites, entertainment (or early 00s iPod playlist)

*(Includes 6 hours planning, 1 hour pre-planning meeting and 6 hours on the night)*

# Bridal Shower Kitchen Tea

This is a traditional event where guests would bring gifts for the Bride-to-Be that were for use in the kitchen.

Nowadays it's used as the more-tame celebration Nan can attend and an excuse to eat cake and play some fun games.

Can be combined with the Hens Party for a whole day affair!

*(Includes 4 hours planning, 1 hour pre-planning meeting and 4 hours on the day)*

# Hens Party

The Last Fling Before the Ring

Miss to Mrs

Kiss the Miss Goodbye

Engaged AF

Same Penis Forever

You name it, we've done it!

From planning girly weekends away and pampering all day er'ry day, to wild nights cruising the Harbour and tequila shots served on the abs of topless waiters (it's called balance).

You know what you'd enjoy and we make it happen.

*(Includes 4 hours planning time, 1 hour pre-planning meeting, collecting and monitoring guest payments, and 4 hours on the day/night)*

what the heck is

# Hire a Bridesmaid ?

Hire a Bridesmaid was born from trust and friendship, and we take our job as "your professional bestie" verrrrrrrry seriously.

Just like your bestie, we promise to: look out for you, tell you how it is, be there for you, put you first, hold your dress while you pee and hold your hair while you...

*Unlike* your bestie however, we *will not* eat from your plate, use your deodorant without asking, or yell embarrassing things out in public.
